Use our state of the art Sonos speaker system to play music on the courts and in the lobby. Stream music from Pandora, Slacher, SoundHound or any other service. You can play right out of your own iTunes account or playlist.

MATCH SET UP

One of our staff will be happy to work with you to set up a rotation of matches at no extra cost!

FOOD SERVICE

Why not BYOB and have us arrange for an Italian theme dinner...or perhaps Chinese or Tai food is more to your liking. We will work with local eateries to make your event special. A great way to cap off a night of tennis!
