DATE

The Early Bird Program is a way for frequent tennis players to get daily court time at a reasonable cost. For the above fee plus the cost of membership, you can play tennis as often as you like from 7:00 to 9:00 a.m. Play single or doubles. Make your own game or ask us for help. Participants have all the benefits of membership including 3-day advanced booking. All your morning court time is covered by your Early Bird fee. You may select a 36-week season (approximately Labor Day to mid-May) or the full year package. **No weekend Early Bird time available on Saturday or Sunday for the 2020-21 season. Monday thru Friday plans only!*
